WORK EXPERIENCE

Freelance Graphic Designer - Jan. 2016 to Current Greater Detroit Area, MI

Freelance designer for a variety of local clients including but not limited to the following: Nicky D's Coney Island, Michigan Helicopters, D.Motown Deli, CityScape Deli, Axiom Wellness, RoundTable6, McKenna Associates, Complete Care Services, and many other businesses.

A majority of my work includes presentation design, restaurant menus, logo design and branding collateral, infographics, document design and layouts, social media advertising, brochures, and much more.

Presentation Graphic Designer - Jan. 2017 - Current WIN Technology - Eau Claire, WI (remote contractor)

Created pitch deck presentations, trade show booths, brochures, product instruction documents, internal document design, and many complex technology based infographics.

Presentation Specialist - Sept. 2017 - Nov. 2017 Gongos Research - Royal Oak, MI

Designed graphics using Adobe Creative Suite combined with PowerPoint to build client branded pitch decks, infographics, and research presentations using a variety of client brand guidelines.

EDUCATION BACKGROUND

Bachelor in Graphic Design Minor in Creative Advertising

Sept. 2013 - Dec. 2016
Columbia College Chicago
